

Santa Clara

Greetings Residents;

"Fall... The time when everything burst with its last beauty, as if nature has been saving up all year for the grand finale."

--- Lauren DeStafano, Wither

Welcome.

Since the open house in May we would like to welcome our new residents Mr. and Mrs. Clendenning, Mrs. Tolley, Ms. Baker, and Mr. and Mrs. Braunstien.

Office/Phase IV/Other Projects Updates

We have had a few setbacks to our timeline of completion due to personnel changes, rainy weather, and obtaining bids from various contractors. The process of installing yards has now begun. Clearing for the new storage facilities should also begin within the next month or so. We are currently gathering bids and finalizing plans for the Rec Center Pavilion expansion. We hope the weather keeps cooperating. We would like to thank all the residents for their patience and understanding.

Fall/Winter Time

As these seasons approach we want to remind you to start thinking about weatherizing your home.

With the colder weather coming soon also comes the flu season. Great tips to remember are wash hands often, avoid close contact with people who are sick, and clean things that are touched often. You can get a free flu shot with most insurances at the Kmart pharmacy in Calcutta. No appointment needed. There are additional vaccines (shingles) available at this Pharmacy as well.

The Resident's Group has many events planned (see above). There is a small fee for some events. Billie Sutton (330-385-0374) and Rena Schooles (330-385-0601, after 5pm) are the co-organizers
