Community Events

- Holiday Decorating contest – (employees not eligible) Judging will take place December 19th. Winners will be announced shortly after. The winners will receive gift cards as follows: first place - \$50, second place - \$25 and third place - \$15.
- Toys for Tots is a great way to share the Christmas spirit. A box will be placed just inside the office door for donations between 11/23/2020 – 12/21/2020. Toys should be new and unwrapped and dropped off during (previous) office hours. We ask that you drop off the gift with minimal contact.
- Since we are limited in our activities, we need to find creative ways in which to share and stay connected. Maybe it will be fun to share your favorite recipe. Send recipes to Rose @ rsoltis@ov-energy.com. One will be featured each month and distributed via monthly mailings.
- How does Drive by Bingo sound? Want to join in the fun? If so, please see the instructions/rules on how to play enclosed.
- “Guess How Many” is a fun game that can be played from your own home. There will be a picture posted on the website (santaclara-ohio.com) under the Resident Information tab/Community Featured Events. Once you have a guess email Rose @ rsoltis@ov-energy.com. This email will be the only way to submit your answer as it will be time stamped. The first one to submit a correct guess will get \$5 off lot rent. These will be posted once per month! Keep an eye out and try your luck!
